EXPERIENCE

Strand Brothers

HVAC Installer

April 08 – October 2008

- Installed, serviced, and repaired heating and air-conditioning systems in residences, office buildings, and commercial establishments
- Fabricated, assembled, and installed ductwork and chassis parts using portable metalworking tools and welding equipment
- Connected motors, compressors, temperature controls, humidity controls, and circulating-ventilation fans to control panels
- Replaced defective breaker controls, thermostats, switches, fuses, and electrical wiring
- Repaired installed units, using electrician's hand tools and test equipment

AmeriCorps National Service

Casa Verde Builders

January 2007 – April 2008

- Participating in a national service program which builds energy efficient homes, using optimum value engineering, for purchase by low-income first time homebuyers
- Actively involved in all aspects of the homebuilding process, including carpentry, concrete, drywall, roofing, trim, tile, paint, and caulk
- Experienced working with tools: circular saw, compound miter saw, drills, belt sander, different types of nail guns, and reciprocating saw

Environmental Corps

January 2006 – June 2006

- Participated in a national service program which builds trails, repair damage on trails, and works to fight erosion, pollution, and over abundance of invasive species to green areas in Austin
- Routinely work in remote areas, in rough terrain, during extreme weather conditions
- Engaged in disaster and flood relief work; involving demolition, clean up, and repair

EDUCATION

Austin Community College
American YouthWorks
General Education Diploma
