To Whom It May Concern,

The Austin Association of Facility and Maintenance Engineers (AAFAME) is hosting an event called Adventure Quest on October 15<sup>th</sup>, 2022 at the Reunion Ranch in Georgetown to benefit Helping Hand Home for Children (HHH).

Adventure Quest is a race & family event, that not only is a fundraiser for HHH, but also offers an opportunity for our children and their fosters to gather in a fun environment. AAFAME has planned this event for over 10 years and we are pleased to be their chosen benefactor for the 5th year in a row.

On behalf of HHH, AAFAME is requesting donations to serve as rewards for participants, as well as cash donations to HHH. Over the last four years, AAFAME has donated more than \$36,000 as a result of the event proceeds.

This year, AAFAME hopes to raise an additional \$10,000 to support HHH programs. This substantial contribution will help HHH continue to provide a nurturing and therapeutic home for children and to restore each child to a healthy family setting.

We are delighted to partner with such a well-organized, philanthropic-minded group like AAFAME, and we hope you will consider sponsoring this event to provide more children in Central Texas, a caring, healthy, home environment.

Thank you in advance for your support.

Sincerely,

Alexandra Smith  
Donor Relations Manager
