To Whom It May Concern,

The Austin Association of Facility and Maintenance Engineers (AAFAME) is hosting an event called Adventure Quest on September 30, 2023, at the Reunion Ranch in Georgetown to benefit Helping Hand Home for Children (HHH).

Adventure Quest is a race & family event, that not only is a fundraiser for HHH, but also offers an opportunity for our children and their fosters to gather in a fun environment. AAFAME has planned this event for over 10 years and we are pleased to be their chosen benefactor for the 6th year in a row.

On behalf of HHH, AAFAME is requesting donations to serve as rewards for participants, as well as cash donations to HHH. Over the last five years, AAFAME has donated more than \$41,000 as a result of the event proceeds.

This year, AAFAME hopes to raise an additional \$10,000 to support HHH programs. This substantial contribution will help HHH continue to provide a nurturing and therapeutic home for children and to restore each child to a healthy family setting.

We are delighted to partner with such a well-organized, philanthropic-minded group like AAFAME, and we hope you will consider sponsoring this event to provide more children in Central Texas, a caring, healthy, home environment.

Thank you in advance for your support.

Sincerely,

Mary Ellen Lewis
Donor Relations Manager
